Nebraska Sleigh Furniture

The Nebraska furniture collection is a flexible way to put together the perfect room for your baby. Pick a bed depending on your space and requirements - there are three to choose from. Then add a matching dresser and wardrobe, to give you plenty of storage.

Each piece has a classic sleigh shape, and everything matches perfectly in a white or grey finish.

Everything in the range is beautifully made and thoroughly tested to ensure you receive the best quality products for you and your baby, for your new world.
