S Light Lux

Designed in a clever way with parent-friendly features.

S Light Lux is a multifunctional pushchair when you walk in the city or on a bumpy road. The spacious lie-flat reversible seat supports natural, healthy sleep for baby in both forward and parent facing positions. Suitable from birth to 15kg (approx 3 years), the S Light Lux has a self-standing fold for the garage, flat fold for the trunk and compact fold for storage.

Key Features

- Light and easy to fold design (weight 7.4kg)
- Canopy with peek-a-boo window and flip-out sun visor
- Leatherette, quick snap-on and removable front bumper bar
- Full coverage, easy-sliding and zip-off mesh canopy
- Reclinable and reversible seat and adjustable leg rest
- All-wheel suspension

S Light Lux
RRP £250

Hug Me Plus

Hug Me Plus provides a friendly environment for lovely babies, allowing baby to snuggle around while in parents' sight.

It is the combination 3 in 1 design package for the precious one, wherever you are.

Key Features

- Suitable from birth to 5 months (max weight 9kg)
- Weighs only 9.3kg and can be easily folded and transported with the supplied travel bag
- 3 modes - standalone crib, co-sleeping cot, and travel cot
- The two-sided mesh window design for much better air ventilation
- Adjustable height, making it easy for you to take care of the little one no matter your height
- 4 wheels makes it easily manoeuvrable on any surface
- Insect net included
- Available in 2 colours – Grey and Pink
